The commission contends that its rulings are final in regard to findings of fact.

reversed the commission on the ground that it had reduced the rate in order to allow California lemon growers to meet Sictlan competition. The commission in its decision to-day denies this emphatically and says that one of the reasons which induced it to reduce the rate was that the carriers had for several years voluntarily maintained the lower rate and the appropriate the rate.

MORSE'S CONDITION.

Army Physicians Will Submit Their Re-

port to the President in a Day or Two. Washington, Dec. 29.—The members of the special medical army board who were sent to Atlanta by President Taft to examine the condition of Charles W. Morse, the former New York banker, now a Federal prisoner, have returned to Washington and will submit their report to President Taft within a day or wo. The board consists of Col. Birmingham and Majors Fauntleroy and Russell. The report probably will not change President Taft's attitude toward the

Mr. Taft does not intend to commute Morse's sentence unless it can be shown to his satisfaction that Morse is critically ill and in immediate danger of death It is practically certain that the report of the board of medical officers will con firm the reports received from the army surgeons at Fort McPherson, Ga., who have been treating Morse for the last month and who held that his condition is not critical, although he is seriously ill of kidney trouble.

the last few weeks there has been In the last few weeks there has been a marked discrepancy between the official reports and the press despatches from Atlanta in respect to Morse's condition. The press reports have asserted that he was in a critical condition, while the official information has been less alarming. Some of the President's advisers believe that the stories of Morse's alleged critical condition were inspired by his friends who are working for his release from prison. Mr. Taff does not intend to be imposed on and sent the board of medical officers to Atlanta to make him absolutely certain of the facts. sake him absolutely certain of the facts.
